National Debt Reduction (paid off in 60 years, not counting surpluses!)	\$0	\$400,000,000,000
<b>Total</b>	<b>\$3,600,900,000,000</b>	<b>\$1,400,000,000,000</b>

Surplus applied to the national debt---and there will be a surplus  
thanks to increased economic activity created by a 61.12% tax cut across the board!
